

September 2025 A New Dawn.....

Society History

Since the early 80's there's been a gardening club in the heart of Gnosall helping locals with all their growing essentials. Membership opened to **everyone** in the early 90's sharing the savings & benefits offered.. Today we have over 150 members from the village and surrounding area. As a not for profit organisation we share the savings bulk buying provides & bring community together.

GAGA - Thank You

Gnosall residents built the foundations on that we stand today. Special thanks go to all our forbears', the families of those sadly no longer with us and all our volunteers who generously give their time for our mutual benefit.

GGA - The Future

Today's new committee re assert their commitment to growing our membership, spreading the word & continuing to support local good causes and community organisations.

We welcome new helpers, happy to give an hour or two a month or to join the management team. If you are interested please email gnosallgardensallotments@gmail.com or visit our new website.

A warm welcome awaits.

Over the last few months GAGA - Gnosall Allotments & Gardens Association committee have discussed making changes to further promote the wonderful work we do in order to flourish for the future... We most commonly hear people say *"but you need to hold an allotment to join don't you?"*

In a word... **No... this is not the case!!!**

Allotment members form the bedrock of the society however the vast majority are now home gardeners who enjoy their outdoor space and want to save money doing so. **Anyone** can join & take advantage of the many benefits offered - not least our **exclusive 10% off £10 or more spends @ Swan Pit Garden Centre for a whole year!**

With this in mind we formally announce our new name;

Gnosall Gardens & Allotments - GGA

We exist for **everyone** & would love for you all to join us, benefiting from;

Heavily discounted garden supplies available from our onsite shop,
"The Shed"

2 x £1 vouchers to spend there

Special sale offers on bulbs and seeds annually

Plant Swaps and community events

Free machinery hire to complete those garden tasks

Central location for convenience

Help to the car or home for heavy items

Access to RHS society gardens with discounted entry

Not forgetting your exclusive 10% saving year round at Swan Pit.

All this for just £3 a year! Membership pays for itself!

As if this wasn't enough you'll also benefit from the knowledge our collective membership holds for any growing advice, hints & tips, make new friends and share your experience with us helping make Gnosall and the surrounding area brighter, greener and even more plentiful.
